## AIR SPACE

Any aerial filming and photography requires authorization first from the Niagara Parks Commission and Transport Canada.

Those documents must be provided to Hornblower Niagara Cruises at least seven (7) days prior to filming for final approval from Hornblower Niagara Cruises.

All aircraft filming must abide by all FAA Rules and Regulations.

Attach pages to provide additional information for permit consideration.

I hereby state that I have read and understand the Hornblower Niagara Cruises Commercial Filming and Photography Policy, that the above information given is complete and correct, and that no false or misleading information statements have been given. All estimates are reliable to the best of my knowledge and I have the full authority to represent the applicant/ production company and the project described above.
